

## CERTIFICATE

Of Conformity
ASTM F 1387-99(2012)
Piping and Tubing Mechanically Attached Fittings
For SEALEXCEL (INDIA) PVT LTD.

Order No :

1803071454

Report No:

1803071454-01

Holder

SEALEXCEL (INDIA) PVT. LTD

56 & 61, Veena Dalvai Industrial Estate, S. V. Road, Oshiwara, Jogeshwari (West),

Mumbai-400102, INDIA

Product

**SEALEXCEL "Well-Lok" Twin Ferrule Tube Fittings** 

**Identification:** 

Well -Lok

This Certificate of Conformity is based on an evaluation of a sample of the above mentioned product. This is to certify that the tested sample is in conformity with relevant provisions of ASTM F 1387-99(2012), Piping and Tubing Mechanically Attached Fittings. This Certificate does not imply assessment of the production of the product and does not permit the use of a TUV Rheinland mark of conformity. The holder of the certificate is authorized to use this certificate in connection with the report of the conformity according to the above standard.

Test: Type Examination Test report/Test plan No: 1803071454-01

Previously performed tests: SEALEXCEL "Well-Lok" Twin Ferrule Tube Fittings have been tested for

Pneumatic Proof Test, Hydrostatic Proof Test, Hydrostatic Impulse & Repeated Assembly Test, Flexture Fatigue & Repeated Assembly Test,

Tensile Test, Hydrostatic Burst Test, Rotary Flex Test etc.

Selection of test sample(s): 1/4" ODT, 1/2" ODT, 3/4" ODT and 1" ODT

Quantity:

Refer Test and Examination Report

Type:

Refer Test and Examination Report

Comments:

The samples are representatives for the type. The tests listed above were performed in compliance with the test requirements of the standards/regulations quoted in this test plan. The test results of item  $1 \sim 8$  have been examined for compliance with the primary test requirements of ASTM F1387-99 (2012) and found satisfactory.
